Christmas Donations

It is Christmas time again and many people have asked if they can do something extra for their sponsored child or the children as a whole at Chileleko. We would like to send extra money to the home director Lucia Dandahuni so that a Christmas tree and Christmas gifts can be purchased for the children. We would also like to give a bonus to the staff. If you would like to donate to this endeavor, please donate online at jonathansimpact.org and write Christmas gifts in the comment section. Thank you very much for anything that you can contribute.

*The Chileleko Children's Home is a home for orphan children, jointly supported by Jonathan's Impact Orphan Ministries and City Church of Covington. The home houses 12 children and meets all of the needs of the children, including food, clothing, education, medical care, and Christian upbringing. The home is located in Zimbabwe, Africa. *Please see the website for additional information on our sponsorship program. 100% of all sponsorship donations are tax deductible and are designated for the child of your choice.*
