A New Foster Child for Lucia and Conald!

The Chileleko's Home director Lucia and her husband Conald have again answered God's call to care for orphans by accepting into their home their 3rd foster child, Jubilance. Jubilance, who is now age 15, went to live with her uncle after her parents both passed away. When her uncle also died, Jubilance then went to live with a family who assisted her in getting a job so that she could raise money to return to high school. After working as a housekeeper for a year, giving her salary to the family, and thinking that the money was being saved for her education, Jubilance was informed that all of the money that she earned had been used to support the household. Lucia was approached by state authorities and asked to take Jubilance into Chileleko. Because Chileleko is full, Lucia accepted Jubilance into her own home, with the understanding that the state would pay for Jubilance's education. Jubilance is now attending boarding school with Ado and Nyasha and is making all A's. Lucia and Conald have truly set an example of godliness for all of us in dedicating every aspect of their lives to caring for orphans.

HUGE SHOE DONATION

The Chileleko children were blessed to be among the recipients of a huge donation of shoes from Reuben shoes of Canada to the widows, orphans, and disadvantaged children of Zimbabwe. This donation was a tremendous help in meeting the budgetary wardrobe requirements for Chileleko this year. Some of the children can be seen here sporting their new shoes. From left to right are: Chipo, Ado, Claude, Shamma, and Kuzileza.
