New Additions to the Chilleleko Children's Home

BREAKING NEWS!!!

We are pleased to announce the addition of three new girls to the Chilleleko Children's Home. This home now houses 9 orphans.

Jonathan's Impact has partnered with both Hands of Hope in San Jose, CA and Global Life Foundation of Harare, Zimbabwe to fund and support The Chilleleko Children's Home, a home in Harare, Zimbabwe for 12 orphan children.

The philosophy of Hands of Hope is to create a home life environment for the children, with house parents living at the home.

In August 2011, Hands of Hope purchased the home, with the agreement that Global Life Foundation, headed by Rev. Peter Mabasa in Harare, will oversee the running of the home and gardens. Jonathan's Impact is supplying the monthly budget for the home. Our plan is for the home to gradually assume some of its own support, as the gardens produce a crop. Jonathan's Impact is seeking ministry partners to join us in the ongoing support of this home. Please contact us if you are interested in helping.
